SUPPLEMENTAL PRELIMINARY AMENDMENT

United States Patent and Trademark Office
P. O. Box 2327
Arlington, VA 22202

Dear Sir:

Prior to the examination of the above-identified application on the merits, please amend the application as follows:

IN THE CLAIMS:

Please cancel Claims 8, 9, 23, and 24.

Please amend Claims 1, 10, 19, 49, 64, and 65 as follows:

B¹
1. (Amended) A composition comprising an immunoglobulin or portion thereof linked to an antigen associated with an autoimmune disease, wherein said composition is capable of crosslinking Fc receptors present on the cell surfaces of antigen presenting cells.

B²
10. (Amended) The composition of Claim 1, wherein said antigen is associated with an autoimmune disease selected from the group consisting of multiple sclerosis, lupus, rheumatoid arthritis, scleroderma, insulin-dependent diabetes and ulcerative colitis.
